

# On your mark, get set, run

**MORE** than 16 staff members at Officeworks in Midland will be hitting the pavement this weekend for the HBF Run for a Reason.

Officeworks store manager Steven Lamp said that the store is committed to helping local charities, organisa-

tions and initiatives and helping to build a strong sense of community in the area.

"Health and wellbeing is important to many of our team members and their families," he said.

Administration manager Maree Peterson said that staff have been

training hard for the 4.5km run.

"Everyone involved t is really pumped for the event this weekend," she said.

The HBF Run for a Reason is raising money for various charities including the Asthma Foundation,

Diabetes WA, the Heart Foundation and the Cancer Council just to name a few.

As well as calling upon friends and family to sponsor them, the store will be hosting a morning tea in an effort to raise even more money for charity.
