Hamper welcomed by refuge

STAFF in the Geraldton office of HBF have dug into their own pockets to provide some Christmas cheer for a local worthy cause.

They put together a generous

hamper of festive foodstuffs for Chrysalis House Women's Refuge.

Chrysalis CEO Jan Scott said the hamper would be a welcome addition to the Christmas Day fes-

tivities in the refuge.

The goal of the Chrysalis refuge is to provide safe supported accommodation for women and children escaping domestic violence.
