Blood needed

MORE blood donations are needed in the lead-up to Christmas.

This Saturday, representatives from the Australian Red Cross Blood Service will be at the HBF Morley Service Centre between 10 and 11am, to answer questions about donor eligibility criteria and the blood donation process.

People who are not members of HBF are also welcome to drop by the Morley Service Centre in Galleria shopping centre to find out more about making a blood donation.

Otherwise, they can make appointments to give blood by calling 13 14 95 or by visiting www.donateblood.com.au.
