### CALL TO HBF FIRSTS

HBF rewarded its 50-year or more members at a morning tea held at the Perth Town Hall as part of 70th anniversary celebrations. The health fund is searching for pioneer members who have been with the organisation since 1941 to thank them with a special commemorative pin. Managing director Rob Bransby said HBF's history lived in its long-term members and they wanted to hear their stories. Visit the Hay Street, Subiaco shop to receive a commemorative pin.
