## Recruitment drive on for blood

HBF and the Australian Red Cross Blood Service (ARCBS) are calling on people to save lives this Christmas.

Last weekend ARCBS representatives and HBF Family Doctor Duncan Jefferson answered questions about blood donor eligibility and the donation procedure.

Service centre manager Christie Dick said HBF had over 900,000 members.

"If every one of our members that was eligible to give blood, did so, then the ARCBS would exceed its target of 12,000 donations, making this Christmas a very happy one indeed."

Ms Dick said people who are

not members of HBF are also welcome to drop by the Booragoon Service Centre in Garden City to find out more about blood donation.

Alternatively, they can make appointments to give blood by calling 13 14 95 or by visiting [www.donateblood.com.au](http://www.donateblood.com.au).
