# Local pair in HBF run

TWO members of the *Kalgoorlie Miner* team will have their work cut out for them tomorrow when they hit the pavement in Perth for the 2011 HBF Run for a Reason.

Stephanie Gordon and Elizabeth Kenworthy have been hard in training for tomorrow's fun run, which will take them along a 14km course taking in some of Perth's most beautiful scenery.

"We have been doing a bit of running and it (the fun run) came up so we decided to go in it," Ms Kenworthy said.

"We thought it would be something to look forward to," Ms Gordon said it would be a good challenge... something to work towards.

"And it is for a good cause," she added.

They have been running every morning together, sometimes at Karkurla Park and sometimes on the streets, in addition to some heavy gym sessions.

"Ultimately, we are just going to pace ourselves," Ms Kenworthy said.
