

Direct Debit for Home & Car and the benefits for me

Direct Debit for Members

Pay the easy way. Direct Debit is a convenient, no fuss option so you don't run the risk of missing a payment. You'll also save on cheque fees, stamps and the time it takes to write out a cheque and mail your payment.

How does Direct Debit work?

With your authority, your insurance premiums are deducted fortnightly, monthly, or annually from your bank, building society, credit union or credit card account (MasterCard or Visa). You can even arrange your payments to coincide with your pay day or pension day. Only the amount required to cover your premium will be transferred to HBF.

Is there a cost to me?

We suggest you contact your bank, building society or credit union regarding any possible charges, as some financial institutions may apply transaction fees. A 10% premium loading is applied by HBF for all General Insurance fortnightly and monthly Direct Debit payments**.

How do I arrange for Direct Debit?

Firstly, you need to have either a cheque, savings or credit card account with a bank, building society or credit union. Simply call HBF on 133 423 with your BSB/Financial Institution number and account number.

We'll do the rest. Your payments will be automatically debited according to your chosen frequency.*

A few guidelines to remember

Please ensure that there are sufficient funds in your account to cover the specified deductions and that your deductions are correctly debited from the account. In the event that three consecutive deductions (for the same payment period) are not met, HBF will cancel the Direct Debit Authority with your financial institution.[◇]

If rates alter or a change is made to your policy, HBF will adjust the deductions accordingly.[†]

[◇]Any fees or charges incurred as a result of insufficient funds will be the responsibility of the account holder. [†]The Direct Debit Authority authorises your bank to deduct the amounts required to cover your policy payments, which may alter from time to time.
